

Bird parts

- 1) Look at the words in the boxes. These are what the different parts of the bird are called.
- 2) Now cover them up.
- 3) See if you can name the parts of the robin shown below.
- 4) How many did you put in the right place?
- 5) Colour the robin below. The back and wings are brown, the tummy is white, and its face and chest are red.
