

Grey wagtails in Widboardclough - *Richard Spence*.

Very light phase buzzard. - distance shot. Mill Lane, Chelford.
David Collis

Curlew seen near to Pym Chair car park in the Goyt area. It was taken with my phone and the quality not great sorry. The curlew was flying around and returning to the same wall for at least 20 minutes and this was a first close up sighting for me. Brilliant!

Kim Montgomery

David Collis.

Green woodpecker (juvenile). Pity it's not a tree !!!
