

# Danes Moss Breeding Bird Survey 2019

**Survey dates:**

**Monday 18 March**

**Monday 08 April**

**Monday 06 May**

**Monday 03 June**

**Monday 01 July**

**Monday 29 July**

**Meet at Lyme Green Car Park (by the recently closed *Homebase* store) at 06.45 am for a 07.00 am start from the picnic area at the entrance to Danes Moss Reserve, alongside the Macclesfield Canal.**

**Please let me know in advance if you are planning to come, either by text or email.**

**We will not survey in heavy rain, very poor visibility or strong wind so it is vital that we have a mobile number in case we have to cancel at short notice.**

**Directions from Lyme Green Car Park to Danes Moss:**

Facing the recently closed *Homebase* store from the car park there is a footpath to the canal just off the service road to the right of the store. Follow this footpath for approximately 150 yards to the canal, turn right and walk along the canal for approximately 400 yards. The entrance area and footpath to the reserve is on the right directly opposite a swing bridge on the canal where you will also see a small picnic area with wooden benches. This will be the starting point for the surveys. (Please note that to reach the main part of the reserve you will need to continue along the entrance footpath, away from the canal, and over a large metal footbridge which crosses the main railway line from Manchester to Stoke on Trent and London).
