

VOTE FOR BOB

A vote for Bob is a vote for nature. voteforbob.co.uk

I may be just a small red squirrel, but I have big ambitions. I want my young – and yours – to inherit a world where they can thrive.

I'm challenging all politicians to take care of the natural places we all need and enjoy. I'm not asking you to become a tree-hugger (that's my job).

But in the run-up to the General Election, now's the time to get nature on our politicians' agenda.

A vote for Bob is a vote for nature. Sign the petition today.

Dear Party Leader,

A vote for Bob is a vote for nature.

I'm adding my voice to thousands of others in asking you to show your commitment to protecting the nature we all love and enjoy.

Before the General Election, I want to see your party set out what you will do in the next parliament, to look after our wildlife and natural spaces, for us and for future generations.

Signed.....
